

Training Activity Card (FOFO Cercedilla)

Title of the tool for Learning

KA3: degrease yourself!

Short description

Training and workshop for young people involved in platforms, coordinating organisations, youth forums, etc, interested in the development of KA3.

Aim(s) / Objectives

- To present the structure of Erasmus +, more concretely KA3.
- To inform about the process of the European Structure Dialogue.
- To facilitate resources and tools at pedagogical level for the development of the process.

Description (describe your tool for learning in more detail and specify the learning outcomes)

The activity consists on the development of an informative and formative course, consisting on:

- 1.-Informative session: -Social and political contextualisation of Erasmus+ (the work will depend on the experience of the target group)
 - Presentation of the Key Actions.
 - Introduction of KA3 (possible ways of presentation: power, video, fotocopies, etc)
- 2.-Laboratory of ideas: "And.... what can I do with it?". Contribution of ideas from the participants at practical level. (We can use the "World Café").
- 3.-Workshop of facilitation, creation and exchange of resources and tools for the development of the process of KA3 (how to organise assemblies, how to establish clear dialogues, ways of communication, the roles of participating in meetings, writing forms, collect information, etc) (optional workshop)
- 4.-Coaching on line related with the workshop and the implementation of KA3.
- 5.-Collecting and sharing the results.

Target group

Organisations interested in hosting/sending EVS.

Needed materials

Human resources: 2 workers with experience in this field.

Material resources: infrastructures, perishable material, computers.

Duration and training process (How long does it take?)

Within 4 and 6 hours (excluding the workshop).

Topics addressed (you can select several)
